Without derogating from Section 1.11.6, if, prior to the acceptance of your offer to open or close a transaction, we become aware that any of the factors set out in Section 1.11.6 have not been met, We reserve the right to reject your offer outright. If we have, nevertheless, already opened or closed a transaction prior to becoming aware that a factor set out in Section 1.11.6 has not been met, we may, acting reasonably, either treat such a transaction as void from the outset or close it at our then prevailing price. However, we may allow you to open or, as the case may be, close the transaction in which case you will be bound by the opening or closure of such transaction, notwithstanding that the factors in Section 1.11.6 were not satisfied.
- 1.11.8. The factors referred to in Section 1.11.6 include the following: (i) the quote must be obtained via the trading platform or by such other means as we may from time to time notify you; (ii) your offer to open or close the transaction must be given while the quote is still valid; (iii) the quote must not contain a Manifest Error; (iv) a Force Majeure Event must not have occurred as described in Section 1.11.9; (v) when you offer to open any transaction, the opening of the transaction must not result in your exceeding any initial or maintenance Margin amount, credit or other limit placed on your dealings; and (vi) any other factor that we, acting reasonably, notify you from time to time.
- 1.11.9. Force Majeure Events. We may, in our reasonable opinion, determine that a Force Majeure Event exists. A Force Majeure Event will include, but is not limited to, the following: (i) any act, event or occurrence (including without limitation any

strike, riot or civil unrest, act of terrorism, war, industrial action, acts and regulations of any governmental or supra national bodies or authorities) that, in our opinion, prevents us from maintaining an orderly market in one or more of the instruments in respect of which we deal on the trading platform; (ii) the suspension or closure of any exchange or the nationalization, government sequestration, abandonment or failure of any instrument on which we base, or to which we in any way relate, our quote, or the imposition of limits or special or unusual terms on the trading in any such market or on any such event; (iii) the occurrence of an excessive movement in the level of any transaction and/or exchange or our anticipation (acting reasonably) of the occurrence of such a movement; (iv) any breakdown or failure of transmission, communication or computer facilities, interruption of power supply, or electronic or communications equipment failure; or (v) the failure of any relevant supplier, financial institution intermediate broker, agent or principal of ours, custodian, sub-custodian, dealer, exchange, clearing house or regulatory or self-regulatory organization, for any reason, to perform its obligations. If we determine that a Force Majeure Event exists, we may without notice and at any time, acting reasonably, take one or more of the following steps: (a) alter your Margin requirements; which may result in you being required to provide additional Margin; (b) close all or any of your open Transactions at such closing prices as we reasonably believe to be appropriate; (c) suspend or modify the application of all or part of these Terms and Conditions to the extent that the Force Majeure Event makes it impossible or impracticable for us to comply thereto; or (d) alter the trading hours for a particular Transaction. (e) void all open transactions in affected Instruments. You agree that we will not be liable in any way to you or to any other person in the event of a Force Majeure Event, nor for our actions pursuant to Section 1.11.9 if we decide to take such action. The parties shall be released of all responsibilities for partial or full non-fulfilment, as well as for improper fulfilment of the obligations under these Terms and Conditions, if such non-fulfilment or improper fulfilment was a result of a Force Majeure Event, which occurred after the Services were terminated.

Our conversion charges are as set forth at <http://www.etoro.com/en/customer-service/fees/>. Any such conversion shall be effected by us in such manner and the rates set forth in our website. Typically, such charges will be presented to you via our trading platform at the time the payment is being made.
- 1.12.8. All foreign currency exchange risk arising from any transaction or from our compliance with our obligations or the exercise of our rights under these Terms and Conditions will be your responsibility.

- 1.12.10. If you give an instruction to withdraw money from your trading account, we will reduce the requested money immediately from your account balance and shall process the withdrawal within the following 24 business hours being any day other than a Saturday, Sunday or public holiday when banks in the relevant jurisdiction are open for business (“**Business Day**”) of our acceptance of the instruction if the following requirements are met:

We shall not be held responsible for any transfer fees or charges charged by the receiver and/or any currency exchange rates resulting from the payment of such amount in United States Dollars.

1.13. Margin

- 1.13.1. In order to open a transaction and keep such transaction open, You shall provide to us and maintain with us such amount of money in respect of and as security for your actual or future obligations or liabilities to us (“**Liabilities**”) in such amounts and in such forms as we, at our sole discretion, may require (“**Margin**”). Different instruments may have different Margin requirements as shall be determined by Us from time to time.
- 1.13.2. Trading using leverage can result in losses in excess of the deposits that you hold. To the extent you trade with leverage, this will magnify your gains and losses. Small price changes in the underlying asset can result in significant losses or gains. However, we provide all clients with negative balance protection. This means that your aggregate liability for all CFDs relating to your Account is limited to the funds in your Account.
- 1.13.3. Additionally, various jurisdictions and/or client’s classification, may require the imposition of maximum leverage requirements and/or minimum Margin requirements on Accounts maintained by their residents. To comply with such regulatory obligations, We reserve the right to limit and/or restrict the leverage ratio and/or increase the Margin requirement applicable to such Accounts. To the extent any transactions were executed at a leverage ratio exceeding such limitations and/or to the extent the overall Margin requirement applicable to such users has not been met when due, We reserve the right to close any or all of your open positions without further notice to you whether at a loss or a profit and liquidate your Account. We may close out one or more of your open positions, if the total Margin in your Account falls below 50% of your initial Margin. Where we do so, we will close such open positions at the current market price.
- 1.13.4. Without derogating from the generality of the above we are required to limit the amount of leverage that Retail Clients can apply to certain transactions, depending on where those clients are resident. These leverage limits are likely to differ depending upon the underlying asset used in connection with the trade. We will set out the relevant leverage limits relating to retail client transactions on our website. Professional Clients will not be subject to prescribed leverage limits.
- 1.13.5. We may change our Margin requirements at any time. Any requirement for Margin must be satisfied in such currency and within such time as may be specified by us (in our sole discretion) or, if none is specified, immediately.
- 1.13.6. One Margin demand does not preclude another. Margin shall be provided in cash or such other form as we may agree or accept. Should the funds in your account fail to meet the Margins requirements, We reserve the right to block your Account, limit the amount and total number of open Transactions that you may wish to open or currently maintain on the trading platform and/or close any open positions and liquidate the Account.
- 1.13.7. You are responsible for maintaining appropriate arrangements with us at all times for the receipt and communication of information regarding Margin. You are aware and acknowledge that we may require you to increase the amount in your Account pursuant to a Margin call. A Margin call may be based upon a number of factors, including without limitation, your overall positions with us, your account size, the number of open Transactions you have, volume traded, your trade history and market conditions.
- 1.13.8. No previous Margin requirements specified by us shall preclude us from increasing the rates of Margin without notice. It is your responsibility to monitor at all times the amount deposited in your Account against the amount of any Margin that may become necessary.

- 1.13.9. Failure to meet the Margin requirement at any time or failure to make a Margin Payment when due may result in closure of your open positions without further notice to you whether at a loss or a profit and liquidate your Account.
- 1.13.10. Unless otherwise agreed by us, you charge to us all Margin as a continuing security for your Liabilities under or pursuant to these Terms and Conditions (including under every transaction). You agree to execute such further documents and to take such further steps as we may reasonably require to enable us to exercise our rights or to satisfy any requirement.
- 1.13.11. You hereby grant eToro the right to pledge, re-pledge, hypothecate, invest or loan, either separately or with the property of other customers, to itself as broker or to others, any securities or other property held for your benefit by eToro as margin or security. eToro shall at no time be required to deliver to You the identical property delivered to or purchased by eToro for Your account. eToro is irrevocably appointed as attorney in-fact for You and is authorized, without notice to You, to execute and deliver any documents, give any notice and to take any actions on Your behalf, including the execution, delivery and filing of financing statements, that eToro deems necessary or desirable to evidence or to protect Its interest with respect to any collateral. All funds not used by you as Margin to secure your open positions may be freely withdrawn by you, subject to (i) the provisions of these Terms and Conditions, (ii) the availability of money in your account and (iii) any fees or commissions you may owe us.

1.14. Right of set-off

All your money, securities, currencies, and other property which eToro may at any time be holding for you (either individually, jointly with others, or as a guarantor of the account of any other person) or which may at any time be in its possession or control or carried on its books for any purpose, are subject to a general lien and right of set-off by eToro for your liabilities to eToro (Europe) Limited.

1.15. Client's Money

- 1.15.1. Your funds (except for Margin) will be segregated by us and held in segregated bank accounts or in segregated accounts with another authorized firm which may be an affiliate of ours (i.e. will be held separately from our own funds), in accordance with the applicable laws and regulations including the CYSEC Rules on client money.
- 1.15.2. We may hold your money and aggregate the money of other clients in the same bank account (an omnibus account).
- 1.15.3. Omnibus Account Risk: The risk of loss emanating from the use of omnibus accounts in third parties, i.e. financial or credit institutions. The above risk may hold other types of risks including legal, liquidation risk, haircut risk, third party risk etc. In the event of the insolvency or any other analogous proceedings in relation to that third party, eToro may only have an unsecured claim against the third party on behalf of the client, and the client will be exposed to the risk that the money received by eToro from the third party is insufficient to satisfy the claims of the client with claims in respect of the relevant account. eToro does not accept any liability or responsibility for any resulting losses.
- 1.15.4. We may hold client money in a bank account located outside the EEA. The legal and regulatory regime applying to any such bank might be different from that of the EEA, and in the event of the insolvency or any other equivalent failure of that bank, your money may be treated differently from the treatment which would apply if the money was held with a bank in the EEA.

- 1.15.5. We may allow another person to hold or control client money where we transfer client money for the purpose of a transaction for you through or with that person or to meet your obligation to provide Margin for a transaction. Such persons may include affiliates of eToro (Europe) Limited. Such funds will be held in accordance with the applicable laws and regulations including the CYSEC Rules on client money.
- 1.15.6. Before We appoint any third party to carry out any of the services as described in Sections 1.15.3-1.15.5 above and during its service provision, We will take the following measures: (i) collect background information; (ii) review expertise & market reputation; (iii) review of the financial statements; Regular checks on credit rating and (iv) from time to time perform a revision (reconciliation) of entries to clients' accounts and the client's funds/securities kept in such accounts.
- 1.15.7. We will not be liable for the solvency, acts or omissions of any bank or other third party holding client money.
- 1.15.8. We will not pay interest on any client money we hold.
- 1.15.9. In the event that there has been no movement on your account balance exceeding the minimal amount set forth in the Applicable Regulations for a period of at least six years (excluding any payments or receipt of charges, interest or similar items), and we are unable to trace you despite having taken reasonable steps to do so, you agree that we may cease to treat your money as client money, and further that ownership of such money will be irrevocably transferred from you to us. Such limitation shall not apply with respect to account balances in amounts lower than the minimal amount set forth in the Applicable Regulations.

1.16. **Several Trading Accounts**

If you have more than one trading account, we reserve the right to treat all such accounts as if they were under one account. We may limit the number of trading accounts maintained by any person or within a single household, at our sole discretion. We are authorized and entitled without notice to you to take such action to protect our own position by combining your accounts, setting-off between your accounts or to satisfy any obligations that you may have to us out of any of your monies in our custody.

1.17. **Administration Fees for Inactive Accounts**

If your account is defined as an Inactive Account (defined below), an Inactivity Fee may be payable by you by virtue of the provision of and the continued availability of your account together with the cost of Our associated regulatory and compliance requirements towards you, regardless of your actual use. Once an Account is deemed Inactive, We shall deduct a monthly Inactivity Fee in the amount set out on our website at <http://www.etoro.com/en/customer-service/fees/>. Such monthly fees shall be deducted until the equity of the account has reached zero and dormant account with a zero equity may be closed by Us (however we shall not charge any amount exceeding your available equity). You can avoid the deduction of the Inactivity Fee if you log into your Account (on mobile or desktop) and eToro will cease to deduct the Inactivity Fee unless your Account shall become Inactive again, but We shall not refund any Inactivity Fees already deducted from the account prior to such trade. For the purpose of these Terms and Conditions, the term "Inactive Account" shall mean: (a) if you have not deposited funds into your Account and have not logged into your Account for a period of at least 120 days; and (b) if you have deposited funds into your Account and have not logged into your Account for a period of at least 12 months.

1.18. **Orders**

- 1.18.1. We may utilize another executing broker, including an affiliate or a non-affiliated third party, including eToro (UK) Limited, to execute your orders/or and transactions. Such executing brokers shall have the benefit of all of our rights and remedies and limitations on liability under these Terms and Conditions.
- 1.18.2. We reserve the rights to decline any order or transaction, at any time, in our sole discretion. We further reserve the right to cancel, modify, suspend or discontinue, temporarily or permanently at any time in its sole discretion any existing order and/or the ability to place any orders including without limitation, limit orders such as stop loss, take profit, buy limit and/or sell limit, either generally or with respect to a specific instrument or with respect to a specific direction of a specific instrument.
- 1.18.3. You shall be responsible for monitoring all Your orders until We confirm execution or cancellation of the order.
- 1.18.4. Any order or instruction you give us will not take effect unless actually received and acknowledged by us. We shall be entitled to act upon any order or instruction which we reasonably believe is given by you or on your behalf without further enquiry as to the genuineness, authority or the identity of any such person giving or purporting to give such order or instruction. The execution of an order by us shall constitute a binding agreement between you and us on the terms of such executed order.
- 1.18.5. eToro does not guarantee any order. Placing stops, regardless of the entry or closing designation, does not guarantee that the trade will be filled at the order price. All entry Stops and Stops will be filled, upon activation, at the available market price available to us that may or may not match the requested order price.
- 1.18.6. You acknowledge that it may not be possible to cancel or modify an order with respect to certain types of transactions, with respect to securities and/or Cryptocurrencies (being a type of decentralized digital currency or asset which is not issued by any central bank or issuer in which encryption techniques are used to facilitate the generation of units of the currency or asset and verify the transfer of units (“**Cryptocurrencies**”)) executed as a CFD transaction or acquisition of the underlying asset. Any attempt to cancel or modify an order is simply a request to cancel or modify and shall not be recognized by eToro, unless specifically approved by Us. eToro shall not be liable to for any loss You may sustain in the event of a non-cancellation of said orders, regardless if the security price becomes highly volatile, the occurrence of a market event and/or upon an excessive movement in the underlying market or the like.
- 1.18.7. Except for excluded transactions as set forth in <http://www.eto.com/en/customer-service/fees/>, any open positions held by you after the relevant hour as set forth on <http://www.eto.com/en/customer-service/fees/> (the “**Overnight Hour**”) which is considered the beginning and end of the trading day are considered to be held overnight, and are subject to overnight fee/credit as explained below. You acknowledge that when holding such position open after the Overnight Hour, an overnight fee/credit will be either added or subtracted from your account with respect to such position. The overnight fee/credit amount is a constant fee/percentage of the position value/dollar amount per units and is based on a number of factors including among others, whether the transaction is a buy or a sell, interest rates, the currency in which it is denominated, instrument differentials, daily price fluctuations and other economic and market related factors. The overnight fee/credit for each instrument is displayed on <http://www.eto.com/en/customer-service/fees/> link for each specific Instrument on the trading platform. Please note that as most liquidity providers (which include global banks, financial institutions, prime brokers and other market makers) across the globe are closed on Saturdays and Sundays, so there is no overnight on these days, but most liquidity providers still apply interest for those two days. To account for that, We will book two/three days of

overnight fee/credit on the day relevant for such Instrument as set forth on <http://www.etoro.com/en/customer-service/fees/> (the “**WE Overnight Day**”), which makes a typical Overnight Day overnight fee/credit a multiple of the amount on the preceding weekdays, all as set forth on <http://www.etoro.com/en/customer-service/fees/>. Market holidays will be charged on a daily basis and not in advance before the holiday (for instance if any of the currencies traded has a major holiday). In deciding whether to open a position for a specific Instrument, you acknowledge that you are aware of the overnight fee/credit and authorize us to add or subtract such an overnight fee/credit to or from your account.

- 1.18.8. When an individual stock which is a constituent of a cash stock index goes ex-dividend, this will have a weighted effect on that cash index, known as the “index dividend” or “index impact”. We will make adjustments to those accounts with a position in an affected index, if that position is open on the relevant Overnight Hour on the day prior to the ex-dividend date of the constituent shares. We reserve the right to effect such adjustment within 30 days following the ex-dividend date. We will credit long positions and debit short positions (by means of a cash adjustment) to your Account. In doing so we will make an effort to effect such adjustment on the basis of good faith and fairness and, where appropriate, by taking such action as is consistent with market practice and/or taking into account the treatment we may receive from our counterparties or any relevant third party. As a result of such event, we may determine the appropriate adjustment to be made to the price or quantity as we consider appropriate to account for said event.
- 1.18.9. Orders for Cryptocurrencies and Securities CFDs and/or Transactions of Acquiring the Underlying Asset (including shares, ETFs, stocks, bonds and/or other debt instruments, including government and public issues).
- 1.18.9.1. The execution price reported to You on the relevant confirmation of the buy or sell order shall reflect the prices made available to us at the time of execution to which our spreads and commissions shall be added or deducted, as the case may be. Such bid-ask prices shall not necessarily reflect the price for the underlying security as quoted on the relevant exchange in which the security is traded and/or the prices presented in charts and/or other market information made available by us. eToro disclaims any liability with respect to any such discrepancies.
- 1.18.9.2. You acknowledge that our platform is independent of any exchanges and we are under no obligation to quote a particular price or follow the trading rules consistent with such exchanges. You further acknowledge that the triggering of your transaction is linked to the prices we quote on our platform, during trading hours and not the prices quoted on any relevant exchanges. In determining whether the prices quoted on the platform reach or exceed the price accepted by Us in a transaction, We will be entitled (but not obliged) to disregard any prices quoted during any pre-market, post-market or intra-day auction periods in the relevant exchange, during any intra-day or other period of suspension in the relevant exchange, or during any other period that in our reasonable opinion may give rise to short-term price spikes or other distortions. Our prices may differ from the current prices on the relevant exchanges and you acknowledge that a transaction may or may not be triggered even though: (a) an exchange never traded at the level of your transaction; or (b) the exchange did trade at the level of your transaction but for such a short period or in such low volumes that it would have been impractical to execute an equivalent transaction on the exchange.
- 1.18.9.3. When entering into an order for Securities and/or Cryptocurrencies (CFD and/or transaction in the underlying asset), You irrevocably and unconditionally agree to accept the security bid/ask prices in which the transaction shall be executed as shall be reflected on our trading platform as final and binding.

- 1.18.9.4. When effecting such CFD transactions, eToro may or may not acquire or sell the underlying security and/or Cryptocurrencies for its own account to cover said orders. We can elect to acquire the underlying securities and/or Cryptocurrencies at any relevant exchange/counterparty in which such underlying asset is traded.
- 1.18.9.5. We may in accordance with our Order Execution Policy, aggregate your orders with our own orders, orders of any of our associates and/or persons connected with us including employees and other clients. Furthermore, we may split your orders when executing them. You accept that aggregation and split of your order may result in you obtaining a less favorable price than if your orders had been executed separately.
- 1.18.9.6. Without derogating from the generality of the foregoing or any other provision of these Terms and Conditions, We further reserve the right NOT to execute buy or sell orders for Securities and/or Cryptocurrencies (CFDs and/or transaction in the underlying asset) and/or to close any open positions therein, without any further notice to you, in the following circumstances: (1) Your order violates exchange Rules or securities or commodities laws, regulations or Rules, or is intended to defraud or manipulate the market; (2) abnormal market conditions and/or a significant disruption in or premature close of trading in of the underlying security and/or the market on which the underlying security is traded; (3) Force Majeure, acts of God, war (declared or undeclared), terrorism, fire or action by an exchange, regulatory or governmental authority that disrupts trading in the relevant security; (4) in the event liquidity providers are unable to provide liquidity to Us.

1.19. Applicable Regulations

- 1.19.1. These Terms and Conditions and any orders or transactions placed or executed under it are subject to all applicable laws and regulations including, without limitation, the constitutions, articles, by-laws, rules, regulations, policies, procedures and interpretations (collectively, "**Rules**") of the exchanges, markets and clearing houses in which eToro may elects to hedge its activity; of CYSEC; and any other applicable Rules of a regulatory, self-regulatory or governmental authority ("**Applicable Regulations**"). IN NO EVENT SHALL ETORO OR ANY OF ITS AFFILIATES BE LIABLE TO YOU FOR ANY ACTION, INACTION, DECISION OR RULING OF ANY EXCHANGE, MARKET, CLEARING HOUSE OR REGULATORY OR SELF-REGULATORY AUTHORITY.
- 1.19.2. eToro or its affiliates may take or omit any action they consider reasonable to comply with Applicable Regulations. You specifically acknowledge that exchange Rules may afford the exchange wide powers in various situations, including, but not limited to, in an emergency, in an otherwise undesirable situation, or in the event of a default (not necessarily on the part of eToro and/or its affiliates), to close-out a transaction, to require the exercise of set-off rights or to take such other steps or combination of steps as the exchange thinks fit. You agree that, if a relevant exchange (or intermediate broker acting at the direction of, or as a result of any action taken by, any exchange) takes any action which affects any transaction, then We may take any action which We, in our absolute discretion, consider desirable to respond to such action or to mitigate any loss incurred as a result of such action. Any such action taken by Us will be binding on You. In no event shall eToro or its affiliates be liable to You for any action, inaction, decision or ruling of any exchange, market, clearing house or regulatory, self-regulatory, governmental or supra national authority.
- 1.19.3. Nothing in these Terms and Conditions shall exclude or restrict any duty or liability owed by us to you under the Applicable Regulations and, notwithstanding any other provision of these Terms and Conditions, we shall be entitled to take any action that we consider necessary to ensure compliance with any relevant legislation and regulations. In

the event of a conflict between any provision of these Terms and Conditions and any relevant legislation and regulations, the relevant legislation and regulations shall prevail.

- 1.19.4. Each time you enter into a trade you agree to repeat the following conditions:
- 1.19.4.1. You are not an employee of any exchange, a corporation in which any exchange owns a majority of the capital stock, a member of any exchange and/or firm registered on any exchange or any bank, trust or insurance company that trades in CFDs and/or the underlying assets held by You;
 - 1.19.4.2. You will not enter into any transaction which falls within the definition of market abuse. You are reminded that this applies to all forms of market abuse such as insider trading, the misuse of information and directors trading in shares of their own companies; in such circumstances we reserve the right to void all your trading transactions. The use of any high speed trading, scalping or automated data entry system will only be permitted with our prior written consent. Accordingly, a significant number of transactions with short duration may be deemed as market abuse; and
 - 1.19.4.3. the execution, delivery and performance of these Terms and Conditions and your use of the Trading Platform including each transaction you complete thereto will not violate any law, ordinance, charter, by-law or rule applicable to you, in the jurisdiction in which you are resident, or any agreement by which you are bound or by which any of your assets are affected.

Such Information and tools are provided solely to assist you to make your own investment decisions and does not amount to investment advice. It is important to make a distinction between indicative prices which are displayed on charts or elsewhere on our websites and dealable prices which are displayed on our trading platform. Indicative quotes only give an indication of where the market is. Therefore, any prices displayed on any chart made available by us or by a third party will only reflect "indicative" prices and not necessarily actual "dealing" prices where trades can be executed. Our quotes and orders are further discussed in Sections 1.11 and 1.18 of these Terms and Conditions. You understand that we are not required to continue to provide or update the above mentioned tools and Information and we may cease to do so at any time. For the avoidance of doubt, we will not be responsible for the termination, interruption, delay or inaccuracy of any Information. 4. RISKS DISCLAIMERS AND LIMITATIONS ON LIABILITY

4.1. General Risk Statement

You understand that You are using our Services at your own risk. It for this reason that We condition the use of our services to those who can actually bear the loss of any money invested and who properly understand the associated risks that are inherent to trading contracts for differences in relation to foreign currencies, securities (including shares, stocks, bonds and/or other debt instruments,

including government and public issues) commodities, indices and Cryptocurrencies. It is also important to have relevant experience when entering financial contracts and transactions. As You know, the forex, commodities, securities, indices and Cryptocurrencies market is a dynamic arena and their respective prices are often highly unpredictable and volatile. You should not deal in these products unless you understand their nature and the extent of your exposure to risk. You should also be satisfied that the product is suitable for you in light of your circumstances and financial position. In addition, use of our Services can never be considered a safe investment rather only an investment with a high risk of loss inherently associated with it. Furthermore, our own spread is added to online quotes which makes a trade on our websites even more volatile. We make sure that the maximum risk associated for any user shall not exceed the actual amount of money available in your Account so You cannot lose more than the equity in your account.

4.2. **Accountability for Each Financial Transaction**

By using our Services, You agree to be fully, independently and personally liable for each transaction and/or credit card transaction made on our System through your account, including without limitation, any position automatically opened as a result of our CopyTrading Services. As such, You must make sure that You are the only person with access to your account at all times. You must make sure that no minors have access to your account. If You do not settle a transaction performed through your account You shall be liable to Us and must indemnify Us in the amount necessary to cover the entire cost, whether indirect or direct, of the transaction. In the unlikely event that a contract is entered to acquire or sell currency at a price that does not reflect the market price (such as an event where a technical error such as a bug or defect has caused a malfunction that has affected the price of the transaction), We reserve our right to terminate and cancel any such transaction. We will notify You of our decision to cancel the transaction and explain our reasons to You. On the other hand, You are required to inform Us of any such malfunction should You experience such a malfunction whilst trading on our system.

4.3. **Restrictions on Financial Transactions**

You understand that financial regulations, financial codes, financial ethics and contractual requirements vary worldwide. As such, You understand that ultimately it is your responsibility to make sure that You comply with any and all local regulations, directives, restrictions and laws in your local place of residence before using our Services. We strictly state that We do not permit the use of our Services by users from jurisdiction in which the use of our Services is not permitted. These Terms and Conditions are not offering or soliciting the use of our Services to any one located in a jurisdiction in which the specific use is not authorized or otherwise permitted by local laws. Please note that eToro shall apply its own spread to all transactions and trades made by using our Services which can increase the cost of the transactions and trades accordingly. By using our Services, You declare that all the funds that You use and invest on our Services do not originate in any way from drug trafficking, abduction, terrorist activity or any other criminal activity that is unlawful or could be considered unlawful by any authority. In the event that We become suspicious that You may be engaging in or have engaged in fraudulent, unlawful or improper activity, including, without limitation, money laundering activities, or conduct otherwise in violation of these Terms and Conditions, your access to the Services may be terminated immediately and/or your account blocked. If your account is terminated or blocked in such circumstances, eToro is under no obligation to refund any funds that may be in your account, unless otherwise instructed by a relevant regulatory authority. In addition to terminating your access to the Service and/or blocking your account, We reserve the right to prevent You from accessing any of our other websites or servers, or accessing any other services offered by Us. We shall be entitled to inform the relevant authorities, other online service providers and banks, credit card companies, electronic payment providers or other financial institutions of your identity and of any suspected unlawful, fraudulent or improper activity and You will cooperate fully with Us to investigate any such activity.

4.4. **Additional Risk Disclosures**

It is important that You be fully aware of the following points:

- 4.4.1. If You are trading over alternative trading platform over a third party trading accounts, such trading activities shall be subject to the commissions and fees available to our clients over such platforms and to the terms and conditions applicable to such trading accounts in addition to any and all the terms set forth in these Terms and Conditions. eToro and its affiliates shall not be liable for any damage and/or loss resulting from and does not guarantee the execution of any order, the placing of stops, regardless of the entry or closing designation and/or that the trade will be filled at the order price and/or that the trading via such third party trading platform shall be error free, without delays.
- 4.4.2. We reserve the right to block any user from being copied, for whatsoever reason.
- 4.4.3. eToro reserves the right to close part, or all, of customers' open positions, in order to facilitate the charge of any fees or amounts due by You. Notwithstanding, You shall be liable for promptly paying such fee(s) and/or amounts to eToro.
- 4.4.4. You acknowledge that the trading of certain Instruments on the trading platform may become volatile very quickly and without warning. Due to the high degree of risk involved in trading volatile Instruments, you acknowledge and agree that we reserve the right to close all or any open Transactions with respect to any Instruments that we determine, acting reasonably, are volatile, at the price quoted on the Trading Platform at such time without notice.
- 4.4.5. In the event liquidity providers are unable to provide liquidity to Us your order may experience delays in execution or You may not be able to place orders entirely. The size of the order may also impede the speed at which the order is executed. Keep in mind that it is only necessary to enter any order once. Multiple entries for the same order may inadvertently open unwanted positions.
- 4.4.6. While trading on our website and/or applications, You might encounter system errors that are resulted from hardware and/or software failures. The result of any system failure may be that your order is either not executed according to your instructions, executing with account balance errors and discrepancies or not executed at all. eToro will not be liable for the resulting errors in account balances. eToro reserves the right to make the necessary corrections or adjustments on the account involved.
- 4.4.7. High leverage allows trading in CFDs with relatively modest Margins or guarantees in relation to the scope of the contract. The result of this is that even a slight fluctuation of the underlying market or instruments could mean substantial gains when these fluctuations are in your favor, but could also mean considerable losses if the fluctuations are to your detriment. No system exists that could assure you that your CFDs will bring you great benefits, nor is it possible to guarantee, that your transactions will yield favorable results.
- 4.4.8. Even though the foreign currencies, commodities, securities, indices and Cryptocurrencies markets may be liquid as compared with other financial instruments or markets, the market conditions might at times render the execution of an order or of a limit on an order (for example by placing a stop) at a stipulated price impossible. Accordingly, even though the extent of the losses could be subject to an agreed limit, the risk of incurring losses could be higher, and that loss could occur in a relatively short period of time.
- 4.4.9. In the event of the price of one of your transactions moving against you, in addition to the requirement to deposit additional guarantees or Margin as may be required by eToro, eToro reserves the right to close the outstanding balances without your consent.

- 4.4.10. Under abnormal market conditions, the price of underlying market or instruments may fluctuate rapidly to reflect unforeseeable events that cannot be controlled either by us or by you.
- 4.4.11. It is important to make a distinction between indicative prices which are displayed on charts and dealable prices which are displayed on our trading platform. Indicative quotes only give an indication of where the market is. Because the derivatives products and Cryptocurrencies market are decentralized, meaning it lacks a single central exchange where all transactions are conducted, each market maker may quote slightly different prices. Therefore, any prices displayed on any chart made available by us or by a third party will only reflect "indicative" prices and not necessarily actual "dealing" prices where trades can be executed.
- 4.4.12. All statements with respect to real money accounts will be open during the weekend and all traders are welcome to view their trading account info. eToro reserves the right not to offset contracts carried over the weekend shortly after markets are open. eToro will allow offsetting contracts carried over the weekend when market liquidity conditions are reasonable.
- 4.4.13. The risk information presented here does not reflect all of the risks as well as other important aspects intrinsic to your transactions (CFDs and/or in the underlying asset) with respect to foreign currencies, commodities, securities, indices and Cryptocurrencies. Therefore, before starting to trade, You should learn the specifics of trading on such transactions in detail or seek further advice.
- 4.4.14. There are a series of inherent risks with the use of the mobile trading technology such as the duplication of order instructions, latency in the prices provided, and other issues that are a result of mobile connectivity. Prices displayed on the mobile platform are solely an indication of the executable rates and may not reflect the actual executed price of the order. Our mobile feature utilizes public communication network circuits for the transmission of messages. We shall not be liable for any and all circumstances in which You experience a delay in price quotation or an inability to trade caused by network circuit transmission problems or any other problems outside our direct control, which include but are not limited to the strength of the mobile signal, cellular latency, or any other issues that may arise between You and any internet service provider, phone service provider, or any other service provider. Please further note that some of the features available on the trading platform or our Social Trading Features may not be available on our mobile feature.

4.5. **Risks Associated with Social Trading**

Social Trading Features are associated with various risks and You are urged to carefully read and consider the following risks before utilizing our Social Trading Features:

- 4.5.1. Automated trading execution whereby trades are opened and closed in your account without your manual intervention.
- 4.5.2. In making a decision to Copy a specific trader, account, portfolio and/or strategy, You have considered your entire financial situation including financial commitments and you understand that using Social Trading Features is highly speculative and that you could sustain significant losses exceeding the amount used to copy a trader or traders.
- 4.5.3. Social Trading Features are provided by Us solely for informational purposes. We and our affiliates and their employees and agents are not investment or financial advisers. IF YOU MAKE INVESTMENT DECISIONS IN RELIANCE ON INFORMATION WHICH IS AVAILABLE ON OUR WEBSITES OR AS A RESULT OF THE USE OF THE SOCIAL TRADING FEATURES, YOU DO SO AT YOUR OWN RISK AND ETORO GROUP LTD. AND ITS AFFILIATES, THEIR EMPLOYEES AND ITS AGENTS WILL NOT BE LIABLE FOR ANY LOSSES THAT YOU MAY SUSTAIN.

- 4.5.4. YOU SHOULD NOT MAKE ANY INVESTMENT DECISION WITHOUT FIRST CONDUCTING YOUR OWN RESEARCH. YOU ARE SOLELY AND EXCLUSIVELY RESPONSIBLE FOR DETERMINING WHETHER ANY INVESTMENT, OR STRATEGY, OR ANY OTHER PRODUCT OR SERVICE IS APPROPRIATE OR SUITABLE FOR YOU BASED ON YOUR INVESTMENT OBJECTIVES AND PERSONAL AND FINANCIAL SITUATION.
- 4.5.5. A copied trader's, account's, portfolio's and/or strategy's positions (with respect to any of our financial instruments) shall be copied in an amount equal to the lower of either the minimum position amount as shall be set by eToro from time to time or the proportional amounts of the copied trade to the realized equity of the copied trader as the basis for the proportions of copied trades. Such positions shall have the same leverage, stop loss and take profit, to the maximum extent possible. Trades below the minimum trade amount shall not be opened. All such positions shall be modified and/or closed automatically if and when modified/closed by the copied trader, for whatsoever reason, without providing any further notice and without any action on your part. You should be able and prepared to bear the loss of the entire investment You made in such a copied trader. You are fully responsible for any losses You may sustain as a result of our automatic execution of instructions generated as a result of the utilizing of any of the Social Trading Features.
- 4.5.6. If You place additional trades in your account or You modify or cancel an order generated by a Social Trading Feature You may achieve a materially different result than the user that You copied. Unopened copied trades in amounts lower than the minimum trade may also result in different results. Cash-out and withdrawal by the copied trader may also generate a materially different result than the user that You copied as it may affect the copyTrading proportions.
- 4.5.7. Any past performance of our users, risk score, statistics and any other information with respect to users appearing on our websites and applications are not indicative of future results and should be considered as hypothetical as more fully described below. It is important to understand that risk scores, statistical information and historical performance are not a guarantee of future performance. NO REPRESENTATION OR GUARANTEE IS BEING MADE THAT ANY ACCOUNT WILL OR IS LIKELY TO ACHIEVE PROFITS OR LOSSES SIMILAR TO THOSE SHOWN AND/OR THAT A RISK SCORE OF A COPIED USER SHALL NOT IN FACT BE HIGHER. When reviewing the Content, portfolio, financial performance information, opinions or advice of another registered user, You should not assume that the user is unbiased, independent or qualified to provide financial information or opinions. eToro does not guarantee any order including the placing of stop orders such as Copy Stop Loss. Accordingly, regardless of the entry or closing designation, eToro does not guarantee that the trade will be filled at the order price/stop loss percentage and you may lose more than the original amount used to copy such trader, however you cannot lose more than the equity in your account.
- 4.5.8. PAST PERFORMANCE AND/OR RISK SCORES SHOULD BE CONSIDERED AS HYPOTHETICAL PERFORMANCE RESULTS. HYPOTHETICAL PERFORMANCE RESULTS HAVE MANY INHERENT LIMITATIONS. NO REPRESENTATION OR GUARANTEE IS BEING MADE THAT ANY ACCOUNT WILL OR IS LIKELY TO ACHIEVE PROFITS OR LOSSES SIMILAR TO THE PAST PERFORMANCE OR RISK SCORE SHOWN. THE ACTUAL PERCENTAGE GAINS/LOSSES EXPERIENCED BY INVESTORS WILL VARY DEPENDING ON MANY FACTORS, INCLUDING BUT NOT LIMITED TO: STARTING ACCOUNT BALANCES (DEPOSITS AND WITHDRAWALS), MARKET BEHAVIOR, MINIMUM TRADE SIZE, THE INVESTOR'S ACCOUNT SETTINGS AND THE ACTUAL PERFORMANCE OF THE COPIED USER.
- 4.5.9. ACCORDINGLY, THERE ARE FREQUENTLY SHARP DIFFERENCES BETWEEN HYPOTHETICAL/PAST PERFORMANCE RESULTS AND THE ACTUAL RESULTS SUBSEQUENTLY ACHIEVED BY ANY PARTICULAR TRADING PROGRAM. ONE OF THE LIMITATIONS OF HYPOTHETICAL PERFORMANCE RESULTS IS THAT THEY ARE GENERALLY PREPARED WITH THE BENEFIT OF HINDSIGHT. IN ADDITION, HYPOTHETICAL TRADING DOES NOT INVOLVE FINANCIAL RISK, AND NO HYPOTHETICAL TRADING RECORD CAN

COMPLETELY ACCOUNT FOR THE IMPACT OF FINANCIAL RISK IN ACTUAL TRADING. FOR EXAMPLE, THE ABILITY TO WITHSTAND LOSSES OR TO ADHERE TO A PARTICULAR TRADING PROGRAM IN SPITE OF TRADING LOSSES ARE MATERIAL POINTS WHICH CAN ALSO ADVERSELY AFFECT ACTUAL TRADING RESULTS. THERE ARE NUMEROUS OTHER FACTORS RELATED TO THE MARKETS IN GENERAL OR TO THE IMPLEMENTATION OF ANY SPECIFIC TRADING PROGRAM WHICH CANNOT BE FULLY ACCOUNTED FOR IN THE PREPARATION OF HYPOTHETICAL PERFORMANCE RESULTS AND ALL OF WHICH CAN ADVERSELY AFFECT ACTUAL TRADING RESULTS.

4.5.10. NO ASPECT OF THE INFORMATION AND/OR SOCIAL TRADING FEATURE PROVIDED AND/OR MADE AVAILABLE ON OUR WEBSITES IS INTENDED TO PROVIDE, OR SHOULD BE CONSTRUED AS PROVIDING, ANY INVESTMENT, TAX OR OTHER FINANCIAL RELATED ADVICE OF ANY KIND. YOU SHOULD NOT CONSIDER ANY SUCH CONTENT AND/OR ANY SUCH FEATURE TO BE A SUBSTITUTE FOR PROFESSIONAL FINANCIAL AND/OR INVESTMENT ADVICE. IF YOU CHOOSE TO ENGAGE IN TRANSACTIONS BASED ON CONTENT ON THE WEBSITE AND/OR ELECT TO COPY SPECIFIC TRADERS AND/OR TRADES, THEN SUCH DECISIONS AND TRANSACTIONS AND ANY CONSEQUENCES FLOWING THEREFROM ARE YOUR SOLE RESPONSIBILITY. WHILE INDIVIDUAL PARTICIPANTS MAY OFFER INVESTMENT ADVICE OR OPINIONS AND/OR EFFECT A TRANSACTION WHICH MAY BE SUBSEQUENTLY COPIED BY OTHER TRADERS, SUCH ADVICE, OPINIONS OR TRADES AMOUNT TO NOTHING MORE THAN EXCHANGES BETWEEN PERSONS WHO MAY BE ANONYMOUS OR UNIDENTIFIABLE OR SIMPLY THE EXECUTION OF A TRADE BY SUCH TRADERS. ETORO GROUP LTD. AND ITS AFFILIATES DO NOT PROVIDE INVESTMENT ADVICE DIRECTLY, INDIRECTLY, IMPLICITLY, OR IN ANY MANNER WHATSOEVER BY MAKING SUCH INFORMATION AND/OR FEATURES AVAILABLE TO YOU. YOU SHOULD USE ANY INFORMATION GATHERED FROM HERE AND/OR UTILIZE THE SOCIAL TRADING FEATURES ONLY AS A STARTING POINT FOR YOUR OWN INDEPENDENT RESEARCH AND INVESTMENT DECISION MAKING.

- 4.6.3. For more information about risks associated with orders for securities and/or Cryptocurrencies (CFDs and/or in the underlying asset) and the bid/ask prices for such orders see Sections 1.11. and 1.18 above.

In doing so we will make our an effort to effect such adjustment on the basis of good faith and fairness and, where appropriate, by taking such action as is consistent with market practice and/or taking into account the treatment we may receive from our counterparties or any relevant third party. However, we reserve the rights to close out any open positions at the market price immediately prior to the event taking place. As a result of such event, if the security and/or Cryptocurrency underlying any Instrument becomes subject to an adjustment as the result of a takeover or transformation action, we may determine in our sole discretion (but are not obligated to) the appropriate adjustment to be made to the price or contract quantity as we consider appropriate to account for said event. Such adjustment shall represent the economic equivalent of the rights and obligations of us and you immediately prior to the action.
- 4.6.7. Delisting and/or non-supported Cryptocurrencies. If at any time any of the Cryptocurrencies that forms the subject of your order is delisted and/or we no longer support the trading in such Cryptocurrencies for any reason, then the applicable order will be immediately closed. If eToro is notified that a Cryptocurrency you hold in your Account is likely to be delisted and/or removed and/or canceled from any of the exchanges (some of them or all) and eToro believes that it shall not be able to trade in such Cryptocurrencies, eToro shall make an effort to sell the Cryptocurrencies on your behalf at such time and price, and in such manner, as it determines.
- 4.6.8. Operation of Cryptocurrency Protocols and Transformations. eToro does not own or control the underlying software protocols which govern the operation of Cryptocurrencies available for trading in our platform. By using eToro's Services, you acknowledge and agree (i) that eToro is not responsible for operation of the underlying protocols and that eToro makes no guarantee of their functionality, security, or availability; and (ii) that the underlying protocols are subject to sudden changes in operating rules ("Forks") and/or other events and/or transformations, and that such forks, transformations and/or other events may materially affect the value, function, and/or even the name of the Cryptocurrency eToro holds for your benefit. In such an event, you agree that eToro may temporarily suspend eToro operations (with or without advance notice to you) and that

eToro may, in its sole discretion, (a) configure or reconfigure its systems or (b) decide not to support (or cease supporting) the forked protocol entirely and/or the Cryptocurrency resulting from such event. According to our sole discretion we may decide (but for avoidance of any doubt we are not obligated to do so) to adjust your account in respect of a Fork/event depending on the circumstances of each event attributable to any specific Cryptocurrency held by You. Such adjustment shall be calculated by us, net of any taxes which may apply with respect thereto. In doing so we will make an effort to effect such adjustment on the basis of good faith and fairness and, where appropriate, by taking such action as is consistent with market practice and/or taking into account the treatment we may receive from our counterparties or any relevant third party. You acknowledge and agree that eToro assumes absolutely no responsibility whatsoever in respect of an unsupported branch of a forked protocol and/or the Cryptocurrency resulting from such event.

4.6.9. Insolvency. If an issuer of a security goes into insolvency or is otherwise dissolved, we shall close any such of your open transactions in the relevant CFD and/or in the underlying asset. The closing date shall be the date of insolvency.

5.5.6. Neither We, nor our officers, principals, employees or agents shall be liable to any person for any losses, damages, costs or expenses (including, but not limited to, loss of profits, loss of use, direct, indirect, incidental or consequential damages) resulting from any errors in, omissions of or alterations to any information and/or Content. The foregoing shall apply regardless of whether a claim arises in contract, tort, negligence, strict liability otherwise.

5.5.7. Risks Associated with Social Trading: eToro Group Ltd. and its affiliates are proud to provide You with the ability to interact, follow and copy other traders by using Information and/or social trading features provided and/or made available on our websites and/or trading

platforms. Such social trading features include but are not limited to the eToro Open Book, “follow”, “copy” and/or “copytrader” traders rankings, “featured users” and/or any advanced search options etc. (collectively, “Social Trading Features”). However, We note that Social Trading Features are associated with various risks and You are urged to carefully read and consider the following risks before utilizing either of our Social Trading Features:

5.5.8. Social Trading Features are provided by Us solely for informational purposes. Etoro Group Ltd. and its affiliates and their employees and agents are not investment or financial advisers. IF YOU MAKE INVESTMENT DECISIONS IN RELIANCE ON INFORMATION WHICH IS AVAILABLE ON OUR WEBSITES OR AS A RESULT OF THE USE OF THE SOCIAL TRADING FEATURES, YOU DO SO AT YOUR OWN RISK AND ETORO GROUP LTD. AND ITS AFFILIATES, THEIR EMPLOYEES AND ITS AGENTS WILL NOT BE LIABLE FOR ANY LOSSES THAT YOU MAY SUSTAIN. YOU SHOULD NOT MAKE ANY INVESTMENT DECISION WITHOUT FIRST CONDUCTING YOUR OWN RESEARCH. YOU ARE SOLELY AND EXCLUSIVELY RESPONSIBLE FOR DETERMINING WHETHER ANY INVESTMENT, OR STRATEGY, OR ANY OTHER PRODUCT OR SERVICE IS APPROPRIATE OR SUITABLE FOR YOU BASED ON YOUR INVESTMENT OBJECTIVES AND PERSONAL AND FINANCIAL SITUATION.

5.5.9. A copied trader’s positions (with respect to any of our financial instruments) shall be copied using the lower of either the minimum position amount or with the same proportional amounts and with the same leverage, to the maximum extent possible. All such positions shall be closed automatically if and when closed by the copied trader and/or if the copied trader’s positions were automatically closed by Us, for whatsoever reason, without providing any further notice and without any action on your part. You should be able and prepared to bear the loss of the entire investment You made in such a copied trader. You are fully responsible for any losses You may sustain as a result of our automatic execution of instructions generated as a result of the utilizing of any of the Social Trading Features.

5.5.10. If You place additional trades in your account or You modify or cancel an order generated by a Social Trading Feature You may achieve a materially different result than the user that You copied. Changing a copied position shall cause its disconnection from the original position. Such disconnected position shall not be automatically closed or changed when the original position is changed or closed.

5.5.11. Any past performance of our users indicated on our websites is not indicative of future results and should be considered as hypothetical as more fully described below. It is important to understand that historical performance is not a guarantee of future performance. When reviewing the Content, portfolio, financial performance information, opinions or advice of another registered user, You should not assume that the user is unbiased, independent or qualified to provide financial information or advice.

5.5.12. HYPOTHETICAL PERFORMANCE RESULTS HAVE MANY INHERENT LIMITATIONS. NO REPRESENTATION OR GUARANTEE IS BEING MADE THAT ANY ACCOUNT WILL OR IS LIKELY TO ACHIEVE PROFITS OR LOSSES SIMILAR TO THOSE SHOWN AND MAY NOT TAKE INTO ACCOUNT FEES, SPREADS AND/OR TRADING COMMISSIONS THAT MAY BE CHARGED. THE ACTUAL PERCENTAGE GAINS/LOSSES EXPERIENCED BY INVESTORS WILL VARY DEPENDING ON MANY FACTORS, INCLUDING BUT NOT LIMITED TO: STARTING ACCOUNT BALANCES (DEPOSITS AND WITHDRAWALS), MARKET BEHAVIOR, THE INVESTOR’S ACCOUNT SETTINGS AND THE PERFORMANCE OF THE COPIED USER. BECAUSE OF THIS, ACTUAL PERCENTAGE GAINS/LOSSES EXPERIENCED BY INVESTORS MAY BE MATERIALLY DIFFERENT THAN THE PERCENTAGE GAINS/LOSSES AS PRESENTED ON THIS WEBSITE. IN FACT, THERE ARE FREQUENTLY SHARP DIFFERENCES BETWEEN HYPOTHETICAL PERFORMANCE RESULTS AND THE ACTUAL RESULTS SUBSEQUENTLY ACHIEVED BY ANY PARTICULAR TRADING PROGRAM. ONE OF THE LIMITATIONS OF HYPOTHETICAL PERFORMANCE RESULTS IS THAT THEY ARE GENERALLY PREPARED WITH THE BENEFIT OF HINDSIGHT. IN ADDITION, HYPOTHETICAL TRADING DOES NOT INVOLVE FINANCIAL RISK, AND NO HYPOTHETICAL TRADING RECORD CAN COMPLETELY ACCOUNT FOR THE IMPACT OF FINANCIAL RISK IN ACTUAL TRADING. FOR EXAMPLE, THE ABILITY TO WITHSTAND LOSSES OR TO ADHERE TO A PARTICULAR TRADING PROGRAM IN SPITE OF TRADING LOSSES ARE MATERIAL POINTS WHICH CAN ALSO ADVERSELY AFFECT ACTUAL TRADING RESULTS. THERE ARE NUMEROUS OTHER FACTORS RELATED TO THE MARKETS IN GENERAL OR TO THE IMPLEMENTATION OF ANY SPECIFIC TRADING PROGRAM WHICH CANNOT BE FULLY ACCOUNTED FOR IN THE PREPARATION OF HYPOTHETICAL PERFORMANCE RESULTS AND ALL OF WHICH CAN ADVERSELY AFFECT ACTUAL TRADING RESULTS.

5.5.13. NO ASPECT OF THE INFORMATION AND/OR SOCIAL TRADING FEATURE PROVIDED AND/OR MADE AVAILABLE ON OUR WEBSITES IS INTENDED TO PROVIDE, OR SHOULD BE CONSTRUED AS PROVIDING, ANY INVESTMENT, TAX OR OTHER FINANCIAL RELATED ADVICE OF ANY KIND. YOU SHOULD NOT CONSIDER ANY SUCH CONTENT AND/OR ANY SUCH FEATURE TO BE A SUBSTITUTE FOR PROFESSIONAL FINANCIAL ADVICE. IF YOU CHOOSE TO ENGAGE IN TRANSACTIONS BASED ON CONTENT ON THE WEBSITE AND/OR ELECT TO COPY SPECIFIC TRADERS

AND/OR TRADES, THEN SUCH DECISION AND TRANSACTIONS AND ANY CONSEQUENCES FLOWING THEREFROM ARE YOUR SOLE RESPONSIBILITY. WHILE INDIVIDUAL PARTICIPANTS MAY OFFER INVESTMENT ADVICE OR OPINIONS AND/OR EFFECT A TRANSACTION WHICH MAY BE SUBSEQUENTLY COPIED BY OTHER TRADERS, SUCH ADVICE, OPINIONS OR TRADES AMOUNT TO NOTHING MORE THAN EXCHANGES BETWEEN PERSONS WHO MAY BE ANONYMOUS OR UNIDENTIFIABLE OR SIMPLY THE EXECUTION OF A TRADE BY SUCH TRADERS. ETORO GROUP LTD. AND ITS AFFILIATES DO NOT PROVIDE INVESTMENT ADVICE DIRECTLY, INDIRECTLY, IMPLICITLY, OR IN ANY MANNER WHATSOEVER BY MAKING SUCH INFORMATION AND/OR FEATURES AVAILABLE TO YOU. YOU SHOULD USE ANY INFORMATION GATHERED FROM HERE AND/OR UTILIZE THE SOCIAL TRADING FEATURES ONLY AS A STARTING POINT FOR YOUR OWN INDEPENDENT RESEARCH AND INVESTMENT DECISION MAKING.

IN NO EVENT SHALL ETORO GROUP LIMITED AND/OR ANY THIRD-PARTY SUPPLIER OR THEIR DIRECTORS, OFFICERS, EMPLOYEES, CONTRACTORS AND AGENTS BE LIABLE FOR LOST PROFITS, LOST SALES, LOST BUSINESS, LOST OPPORTUNITY, LOST INFORMATION, LOST OR WASTED TIME OR ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES (HOWEVER ARISING, INCLUDING NEGLIGENCE) ARISING OUT OF, OR WITH RESPECT TO THE SERVICES AND/OR THE SOFTWARE AND THE USE THEREOF.
